The TROISIÈME VIN of the Château – unique from Ningxia and unique from China, and a revolution in terms of price/quality ratio.

TASTING NOTES by Lenz M. Moser, Chief Winemaker Chateau Changyu Moser XV:

- Speaking on this wine, Jancis Robinson MW said to Lenz M. Moser in 2016: “This is the most important wine in your portfolio – it will reach many consumers around the world and create the awareness for wines from China. ”This is also a reason why we put our utmost care in creating this “affordable” wine from our Chateau.
- We also wanted to create a new style of unoaked wine from the Chateau – “showing the character of the best Cabernet Sauvignon berries I have ever worked with”, says Lenz. Spice of China, concentrated fruit aromas and flavours you would never expect from such a young Cabernet. The small berries occur in this desert climate to protect themselves from evaporating the water – hence a fantastic skin to juice ratio.

PRODUCTION NOTES:

- 2017 was a great year in Ningxia
